## **GENERAL INFORMATION**

### **VISION**

To be a Christian school of influence, characterized by academic excellence and caring community.

We've made it our responsibility not just to provide an education, but to provide an excellent education for the students of Parkerson STEM Academy. As we influence the next generation, we equip young people to have an impact on their eternity, life, academics, and community.

### **MISSION STATEMENT**

The mission of Parkerson STEM Academy is to educate students in the light of God's word to equip them for a lifetime of learning, leadership, service, and worship.

### **GUIDING PRINCIPLES**

- Seek God's truth and righteousness first and all these other things will be added.
- Seek only God's glory in all things.
- Non-denominational and grounded in the basic tenets of the Christian faith.
- Do not favor one of God's children over another.
- Keep tuition affordable for a wide range of income levels.
- Maintain independence from a church or supporting organization.
- Impact the lives of as many children as possible without sacrificing quality.
- Maintain strong financial health.
- Maintain high level of parent involvement.

### **MEASUREMENTS OF SUCCESS**

- Graduates have profoundly Christian worldview - All students will be taught Old and New Testament doctrine, practical everyday application of scripture and a basic understanding of various other faiths.
- Graduates openly share their faith and impact others for Jesus Christ - Plan opportunities for students to give their testimony. This would be accomplished in school with younger students, and with their own peers. Also, plan opportunities for students to hand out tracts at school functions and/or other areas of the city that would be appropriate.
- Graduates excel in academics - Assess how graduates performed on national college entrance exams compared to other graduating seniors. Provide a strenuous and challenging curriculum that will produce a well-rounded and educated student.
- Graduates have strong biblical knowledge and are able to defend and explain their faith in a hostile culture - Strong biblical and thorough instructions to help students understand the importance of the Word of God in their lives. Regular evaluation through oral essays to determine if students can verbally defend what they believe. Also, frequent evaluation through testing to determine if students have mastered what they believe. They also need to be exposed to beliefs of most common religions they face in our society.

- Graduates go on to attend major colleges - Chart graduates' applications to any and all colleges. Through the directions of guidance counselor, give students the best available data to colleges that best fit their needs.
- (PROJECTION): Alumni come back to support the school with time, finances and their own children - Develop an alumni booster club and plan activities. Give alumni reasons and opportunities to contribute to their school. Also, develop a program that would involve grandparents that would allow them to volunteer their time and resources. Communication would be accomplished through newsletters, emails, personal notes and various other means of communication.

## EDUCATIONAL PHILOSOPHY

Education at Parkerson STEM Academy is approached from a Biblical perspective that recognizes the sovereignty and authority of God. Attendant with this belief is a number of truths affirmed by the school:

- God is transcendent, is spirit, and always acts in accordance with His loving and just nature. In addition, in His Word God places an eternal emphasis upon life. (Romans 11:36, II Corinthians 4:18, I John 2:15-17)
- All humans, including children, are created in the image of God and have unbounded potential to mirror the character of Jesus Christ. Further, man is born with a sin nature that has marred, but not ruined, God's image in man. Finally, we believe that man's greatest need is redemption through Jesus Christ and not education. (Genesis 1:27, Psalm 8:3-6, Romans 3:23, Jeremiah 17:9)
- Jesus Christ reflects truth: truth about the nature of God, truth of man's need to be rightly related to God, and truth about the world He created. (John 14:6, John 17:7, Matthew 7:24-27, Psalm 19:1, I Corinthians 2:15, John 8:26, II Timothy 3:16)
- The Bible is inerrant and authoritative. Because God both created the universe and appointed the writing of Scripture, no academic truth (man discovered truth) can rightly be in conflict with God's Word.
- Although man may not perceive truth in particular circumstances, truth is unchangeable and not relativistic.
- Biblical education focuses on what a person becomes rather than on what he knows. Therefore, knowledge ought to be primarily pursued as the basis for the development of wisdom and character. Further, the end of education is not the acquisition of status, but to glorify God and fulfill His mandate to subdue and have dominion over God's creation.
- Education is the prerogative and responsibility of parents. The Christian school is in partnership with the home to provide support and assistance in shaping a Christ-like view of truth and reality.

These beliefs work their way into every aspect of the education offered at Parkerson STEM Academy.

## **STATEMENT OF FAITH** (All scripture comes from KJV of the Bible)

All Scripture is verbally inspired as originally written and therefore infallible and inerrant (2 Timothy 3:16-17; 2 Peter 1:21; Matthew 5:18; 1 Corinthians 2:13).

The Bible is the Word of God. We cannot accept the misleading statement: "The Bible contains the Word of God."

There is one living and true God who exists in three Persons – Father, Son and Holy Spirit (Matthew 28:19; 2 Corinthians 13:14).

The Father is God (2 Corinthians 8:6), the Son is God (Isaiah 9:6; John 1:1, 14; Hebrews 1:8-10), and the Holy Spirit is God (Acts 5:3-4).

The Lord Jesus Christ was born of a virgin (Isaiah 7:14; Matthew 1:18-25; Luke (1:26-38).

Christ rose bodily from the dead and ascended unto God the Father (Matthew 28; Mark 16; 1 Corinthians 15; Romans 1:4). Christ will return.

First, for the "dead in Christ who will be resurrected bodily; and for those who are alive at His coming". This resurrection not only precedes His return to earth to reign 1000 years, but also precedes the Tribulation (1 Thessalonians 4:13-18; 5:9).

Then to reign 1000 years on the earth (Revelation 20:1-6; 2 Timothy 2:12).

All men inherit a depraved nature and are lost sinners in need of salvation (Romans 3:9-19; Ephesians 2:1-3).

God has provided salvation through offering His Son on the cross of Calvary and allowing His BLOOD to be shed to atone for our sins (Romans 3:25; Hebrews 9:22).

We are saved and justified when we recognize ourselves as sinners, and we put our trust in Christ as the Son of God and His finished work on the cross of Calvary. Salvation is by grace through faith plus nothing (Romans 3:24, 4:5; Ephesians 2:8-9).

Once saved we cannot be lost; we are eternally secure in Christ (John 3:16; Philippians 1:6; John 10:27-29; Romans 8:38-39).

We believe that the baptism of the Holy Spirit takes place at the time of conversion and is the act of placing the believer into the body of Christ. The baptism of the Holy Spirit is not a second work of grace, nor is it necessarily manifested by unusual signs such as speaking in tongues (1 Corinthians 12:13; Galatians 3:27).

We should regularly participate at the Lord's Table (1 Corinthians 11:23-32).

All believers should be baptized by immersion as an act of obedience, but not for securing their salvation (Acts 2:41; 19:4-5; Matthew 28:9-20).

The Bible teaches the eternal punishment of the lost (John 5:28-29; Revelation 20:10, 15; Matthew 25:46).

The grace of God teaches us “to live soberly, righteously, godly” (Titus 2:11-13). Titus 2:13 – Looking for the blessed hope of His returning for us. Leviticus 18:32

Colossians 3:2-3; 1 John 2:15-17 – Setting our “affection on things above, not on things on the earth”.

2 Corinthians 6:14-18 – Living a life of separation from the world. We believe in separation “unto God” (Romans 1:1; 2 Corinthians 6:17-18).

## Core Beliefs

Focuses on developing the whole child: spiritually, academically, athletically, creatively, and socially.

- Spiritually – PSA students will be bold and courageous in their faith. They will desire to share and defend their Christian beliefs and are committed to serving others in His name.
- Academically – PSA students are independent learners with exemplary critical thinking and problem-solving skills. They are college-ready and value life-long learning with a biblical worldview.
- Athletically – PSA students understand that athletics exists for them to glorify God by utilizing their athletic abilities. A Concord athlete is mentally tough with a strong work ethic and values the opportunity to represent their school in a meaningful way.
- Creatively – PSA students discover and develop their unique God-given talents, and then leverage them in impactful ways to bring glory to Him.
- Socially – PSA students exhibit confidence and see themselves the way Christ sees them. This confidence projects to the people in their sphere of influence, as they lead and serve others in their personal life, community, and around the world.

## BIBLICAL MORALITY POLICY

Parkerson STEM Academy (PSA) stands firmly upon the historical truth claims and moral foundations of Christianity. This includes, but is not limited to, the biblical definition of marriage, the attendant boundaries of sexuality and moral conduct, and the clear biblical teaching that gender is both sacred and established by God's design. Parents or the legal guardians, who choose to enroll their children at PSA, are agreeing to support these and other basic biblical values derived from historical Christianity. Parents understand and agree that PSA will teach these principles and biblical values.

In addition, the Board of Directors urges parents to recognize their scriptural responsibility (Deuteronomy 6:1-9, Psalm 78:5, 6, Proverbs 22:6) to provide their children with a Christian education and to understand that the primary responsibility for this task rests with the parents (Ephesians 6:4). PSA was founded and continues to operate upon biblical values and the desire and commitment for Bible-believing Christian parents to enroll their children in an intentionally Christian environment. PSA will accept students who are willing to support the school's philosophy of Christian education, student conduct requirements, and the school's above-stated positions, and whose parents are willing to allow their children to be educated and influenced in an intentionally Christian environment. Continued enrollment at PSA is contingent upon this same understanding and support by both the student and parents.

PSA is a religious institution providing an education in a distinct Christian environment, believing its biblical role is to work in conjunction with the home to mold students to be Christ-like. On occasions in which the atmosphere or conduct within a particular home or the activities of the student are counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or discontinue enrollment of a current student. This includes, but is not necessarily limited to, living in, practicing, condoning, or supporting sexual immorality, including but not limited to, sex outside of marriage, homosexual acts, bi-sexual acts; gender identity different than the birth sex chromosomal level; promoting such practices; or otherwise the inability to support the moral principles of the school (Leviticus, 20:13a, Romans 1:27, Matthew 19:4-6).

PSA believes that every person is created in the image of God, that human sexuality reflects that image in terms of intimate love, communication, fellowship, subordination of the self to the larger whole, and fulfillment. God's Word makes use of the marriage relationship as the supreme metaphor for His relationship with His covenant people and for revealing the truth that this relationship is of one God with one people. Therefore, God's plan for human sexuality is that it is to be expressed only in a monogamous lifelong relationship between one man and one woman within the framework of marriage. This is the only relationship that is divinely designed for the birth and rearing of children and is a union made in the sight of God, taking priority over every other human relationship. This is validated by Gen. 1:27-28; 2:18, 20, 23-24; Isa. 54:4-8; 62:5b; Jer. 3:14; Ezek. 16; Hosea 2; Mal. 2:14; Matt. 19:4-6; Mark 10:9; John 2:1-2, 11; 1 Cor. 9:5; Eph. 5:23-32; 1 Tim. 5:14; Heb. 13:4; and Rev. 19:7-8.

PSA believes that humanity's creation in the image of God included the ability to choose between right and wrong. Thus, individuals were made morally responsible for their choices; but since the fall of Adam, people are unable in their own strength to do right. This is due to original sin, which is not simply the following of Adam's example, but rather the corruption of the nature of each mortal, and is reproduced naturally in Adam's descendants. Because of it, humans are very far gone from original righteousness, and by nature are continually inclined to evil. They cannot of themselves even call upon God or exercise faith for salvation. But through Jesus Christ the prevenient grace of God makes possible what humans in self effort cannot do. It is bestowed freely upon all, enabling all who will to turn and be saved. This is validated by Gen. 6:5; 8:21; Deut. 30:19; Josh. 24:15; 1 Kings 20:40; Ps. 51:5; Isa. 64:6; Jer. 17:9; Mark 7:21-23; Luke 16:15; John 7:17; Rom. 3:10-12; 5:12-21; 1 Cor. 15:22; Eph. 2:1-3; 1 Tim. 2:5; Titus 3:5; Heb. 11:6; and Rev. 22:17.

PSA believes that in order to follow the teachings of the Scriptures regarding marriage and divorce, we must affirm that sexual relationships outside of marriage and sexual relationships between persons of

the same sex are immoral and sinful. We further affirm that heterosexual monogamy is God's plan for marriage, and we regard sexual sin of the spouse, such as adultery, homosexual behavior, bestiality or incest, as the only biblical grounds for considering divorce, and then only when appropriate counseling has failed to restore the relationship. PSA abhors the trend to ignore God's laws of chastity and purity, and vigorously opposes public acceptance of sexual promiscuity and all factors and practices which promote it. The school maintains a biblical view of human sexuality that makes the sexual experience, within the framework of marriage, a gift of God to be enjoyed as communion of a man and woman, as well as for the purpose of procreation. Sexual relationships outside of marriage and sexual relationships between persons of the same sex are immoral and sinful. The depth of the sinfulness of homosexual practice is recognized, and yet we believe the grace of God sufficient to overcome both the practice of such activity and the perversion leading to its practice. This is validated by Ex. 20:14, 17; 22:19; Lev. 20:10-16; Matt. 5:32; 19:19; Mark 10:11-12; and Luke 16:18.

Gender differentiation and male/female uniqueness are part of a divine design that God indelibly engraved upon creation. God gives our bodies to us for spiritual and relational purposes, as well as physical ones. It is His desire that the most fundamental distinctions we experience as human beings should remind us that our completeness is ultimately found in communion with Himself and others. For this reason, "The Lord God said, 'It is not good for the man to be alone. I will make a helper suitable for him'" (Genesis 2:18). Personal fulfillment involves intimate fellowship and union with God, as exemplified by the ideal of Christ as the bridegroom and the Church as His bride (Ephesians 5:22-32; Revelation 19:7-9). Based on our biblical and theological study, there is no argument for a "third gender" among humans. Gender confusion and dysphoria are ultimately the biological, psychological, social and spiritual consequences of the human race's fallen condition. This state of depravity affects all persons individually and collectively. While society is at liberty to destigmatize or legitimize any behavior it chooses simply by reclassifying and renaming it, Christ followers adhere to biblical boundaries. It is our Christian conviction that renaming them cannot normalize sin and its expressions. We call upon biblical Christians to continue to accept their role as witnesses who speak prophetically about the need for repentance and sanctification in every culture.

### **Statement on Marriage, Gender, and Sexuality**

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.) Rejection of one's biological sex is a rejection of the image of God within that person.

We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25.) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Cor 6:18; 7:2-5; Heb 13:4.)

We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and use of pornography) is sinful and offensive to God. (Matt 15:18-20; 1 Cor 6:9-10.)

We believe that in order to preserve the function and integrity of PSA as a Christian ministry, and to provide a biblical role model to the PSA families, it is imperative that all persons employed by PSA in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality. (Matt 5:16; Phil 2:14-16; 1 Thess. 5:22.)

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom 10:9-10; 1 Cor 6:9- 11.)

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of PSA.

### **FINAL AUTHORITY FOR MATTERS OF BELIEF AND CONDUCT STATEMENT**

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of PSA's faith, doctrine, practice, policy, and discipline, our National Association of Private Schools (NAPS) 1-877-749-1807 and or Board of Directors is PSA's final interpretive authority on the Bible's meaning and application..

### **SANCTITY OF HUMAN LIFE STATEMENT:**

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life. (Ps 139.)

### **MARRIAGE POLICY STATEMENT:**

Because God has ordained marriage and defined it as the covenant relationship between a man, a woman, and Himself, PSA will only recognize marriages between a biological man and a biological woman. Further, the Board of Directors, Administrators, and Staff of PSA shall only participate in weddings and solemnize marriages between one man and one woman. Finally, the facilities and property of PSA shall only host weddings between one man and one woman.

### **GOVERNANCE OF PSA**

#### **Board of Directors**

The Board of Directors oversees the governing of PSA according to established Bylaws, and it formulates and supervises the implementation of school policy. It is responsible for the financial stability of the school by using sound fiscal principles in its operation. Above all, Board

members are to be sensitive to the Lord and His direction, and are responsible for the spiritual integrity of the school.

#### Head of School (Administrator)

PSA is administered by the Head of School who is the chief executive officer and reports directly to the PSA Board of Directors. The faculty and staff work directly under the leadership of the Head of School. The Head of School is responsible for formulating and administering the curriculum; recruiting, supervising, and evaluating faculty and staff; authorizing and monitoring student activities; and aiding parent organizations (PTF, etc.).

#### Accreditation Body

National Association of Private Schools (NAPS) 1-877-749-1807

### NON-DISCRIMINATION POLICY

Parkerson STEM Academy admits students of any race, color, gender, national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. The organization does not discriminate on the basis of race, color, gender, national or ethnic origin in the administration of its education policies, admission policies, athletic or other school administered programs. The school does reserve the right to enroll and maintain enrollment of students selectively to ensure that the student can profit from our program using a Bible-based curriculum.

### PROBLEM SOLVING GUIDELINES

It is the desire of the leadership of Parkerson STEM Academy to have a school that God can use and bless to the fullest. We do not believe this can happen if there is disharmony among the PSA families. Scripture teaches us that God desires unity for His children. (John 17; I Corinthians 12:12- 26; Ephesians 4:1-6, 13)

With a desire to honor the Lord Jesus Christ with our conduct, words, and attitudes, we ask you, as parents, to abide by the following guidelines when a problem arises with a teacher, the administration, or another parent:

- **Pray.** Ask God to give you wisdom concerning the situation, to show you what part you may have in the problem, and that you would learn and grow through this situation (James 1:5).
- **Do not** talk about the conflict to people who cannot correct or solve it, but do talk to those who can.

The appropriate steps to take would be:

- Talk to the other person or persons involved, listen to their side of the story and seek understanding (IF POSSIBLE).
- If it is not resolved, make an appointment with someone in administration for assistance. (Matthew 18:15-17)
- Always speak the truth in love. (Ephesians 4:15)

## SCHOOL POLICIES AND PROCEDURES

### ADMISSIONS

Student candidates are evaluated on the basis of their character, academics, and behavioral background. Academic evaluation is conducted by reviewing a student's most recent report card, his academic transcripts, and current scores from the previous academic year from an Achievement Test.

Parents must complete an authorization form for permanent records to be sent from schools previously attended. Parents must provide PSA with current legal documents when custody rights have been established by a court of law.

#### ADMISSIONS POLICY:

- PSA is most effective when working with families who share our commitments. Therefore, priority is given to these families in the admissions process. Each family and each student admitted to PSA is expected to exhibit a cooperative spirit. Parents and students should read the Family Handbook for a description of the School's standards and expectations. The school only admits students who want to attend PSA. Negative attitudes about the Christian faith or the school will prevent admission. The student application, interview, previous school performance and references are used to determine a student's suitability for admission.
- All students entering PSA in sixth through twelfth grade will be required to complete entrance testing. The purpose of this testing is primarily for accurate grade placement. If a student tests at an alternate grade level, the administration may make the appropriate grade level change (with parental consent) or may refuse admission.
- PSA reserves the right to refuse admission to anyone who would not fit into the spirit of the institution nor benefit from the education offered. The administration also reserves the right to refuse to define the criteria or reasons when applications are not accepted. The status of all students is reviewed annually.
- This is not a corrective institution; consequently, we ask that a child not be enrolled with the idea that we will reform him. We are here to work with the home, but not to take the place of parents who are experiencing difficulty with their child. If a student has been dismissed or expelled from another school, the student will usually be required to prove himself for one semester before being considered for admission at PSA.
- Attendance is a privilege at PSA. This privilege may be forfeited at any time if a cooperative spirit is not maintained in complying with the rules and regulations. If at any time a student or his parents do not demonstrate support for ACIS, PSA its policies or its biblical stand, the

parents may be asked to place their child in our full homeschool distant learning program even though the child has not been an open discipline problem.

- Before the first day of school, each of our students is required to have on file a Health Record listing all immunizations, diseases, and illnesses. Immunizations must be dated, and the form must be signed by a physician. Preschool, transitional kindergarten, and kindergarten students must have a specific form in the school office filled out and signed by a physician for their physical.
- Parents sign at registration that they have read this handbook, including PSA Statement of Faith. Parents are responsible to make sure that their child understands the policies and abides by the policies.
- Parkerson STEM Academy does not discriminate on the basis of race, nationality or ethnic origin in its admission policies, or in the administration of its programs.

## Referral for Evaluation Policy

Students who demonstrate difficulty in the areas of academics or behavior, will be observed and evaluated by their teachers, administration, and the guidance counselor. This process is known as the “Pre-Referral Evaluation.” Some accommodations may be implemented, if possible, in the best interest of the student. If there is reason to believe that further evaluation is necessary, the student will be referred for a psychological evaluation. This may be performed either by the public school in the school district of the student’s residence, or by a private facility. Once the student has been referred for an evaluation, the parents are expected to follow through with the evaluation process in a timely manner (parents must contact the evaluation facility of choice and begin the evaluation process within two weeks of the referral.) Upon completion of the evaluation, it is the parents’ responsibility to obtain a copy of the evaluation results and share this with the guidance counselor. The guidance counselor will then schedule a parent/teacher conference to discuss the results of the evaluation, and the recommendations made. Failure to follow through with the referral or evaluation process may result in the student being placed in homeschool in the home of the student from the school. Because PSA does not have a special education department, parents may be required to seek additional assistance through either their public school district, or private assistance providers.

## Student Dismissal Policy

Students who violate policies of PSA can/will be dismissed from the school. Reasons for such action include, but are not limited to failure to maintain passing grades, violations of the Student Code of Conduct, contributing to the spiritual or moral decline of other students, falsifying information during the application process, failure to maintain financial commitment, or as deemed necessary for the good of the school. The full semester tuition is due upon dismissal.

**Official school records, report cards, transcripts, diplomas, etc. will not be released to parents or institutions, and access to all digital portals will be blocked until outstanding items are cleared, and all tuition, fees, and fines are paid.**

## **POLICY ACCEPTANCE DOCUMENT/CONTRACT**

A Policy Acceptance Document / Contract is part of the PSA registration packet and is required to be on file for every student. A copy of this document follows for your review and future reference if needed:

### **POLICY ACCEPTANCE DOCUMENT/CONTRACT**

This agreement or contract is between Parkerson STEM Academy, hereafter referred to as “the school”, and the parents or legal guardians of the student(s) being enrolled, of which initials and signature appear on this document of understanding, signifying that you have read, understood, and agree to comply with all the school's policies.

\_\_\_\_\_ 1. I understand that attending the school is a privilege, not a right, and that the school is not a reform school. I understand that the school may refuse enrollment or continued enrollment based on the totality of information given in the enrollment process. I understand that the withholding of information or the deliberate misrepresentation of information on any document submitted to the school will subject my student(s) to immediate dismissal.

\_\_\_\_\_ 2. I understand that Parkerson STEM Academy provides an accelerated curriculum, and that all students are expected to meet the program criteria. While minor adjustments may be made for students with disabilities, PSA does not provide special education, curriculum accommodations, or curriculum modifications.

\_\_\_\_\_ 3. I agree to pay all fees and tuition payments when due and to conclude all required payments on or before the last day of the applicable school semester. I understand that tuition may be paid one of three ways: (1) one annual payment in full at registration of fall or spring semester with a discount, or (2) in person (3) monthly through the Square Account By choosing the monthly option, payments are manually deducted on each month from the parent's credit/debit card.

\_\_\_\_\_ 4. I understand that it is my responsibility to inform the Business Office if financial problems arise or I need to make other arrangements to keep my account current. I understand that if my account becomes 31 days past due, I have five (5) working days to contact the Business Office and make alternative arrangements to bring my account current. I understand that my student(s) may be excluded from classes until the balance owed is paid or other arrangements have been made. I understand that if my account becomes 60 days past due and I have not made other payment arrangements with the Business Office; my student(s) will be withdrawn from school and will not be allowed to re-enroll until all financial obligations are fulfilled with the school. In the event of such withdrawal, the student will not be able to receive grades, transcript, diploma until all fees and tuition are paid in full. Therefore, I will have to petition to the Dean of Education to have my student(s) reinstated plus pay a new registration fee.

\_\_\_\_\_ 5. I understand that checks returned to the school for insufficient funds, closed account, etc. will result in a \$35.00 returned check fee. I will be contacted by the Business Office upon notification of the returned check. I understand that returned checks must be replaced with cash, credit/debit card or a cashier's check within five (5) days of the return notice. I understand that if two (2) checks are returned to the school for any reason during the school year, all future payments must be made by cash, credit card or cashier's check.

\_\_\_\_\_ 6. I understand that if my student(s) is withdrawn from school, I agree to give written notice of the withdrawal, and it will be effective upon delivery to the school. I understand that all fees/tuition are non-refundable and non-transferable. No fees will be refunded (registration, tuition, testing, book, lab, etc.). I understand that

books, materials, and equipment supplied by the school (including sports uniforms and equipment) remain the property of the school and must be returned. I understand that **ALL** school records will be held if any such items remain in my possession or any obligations are owing. Balance of account at the time of withdrawal must be paid in full.

\_\_\_\_\_ 7. I understand that school is dismissed at 2:00 pm and that I am responsible for picking up my student(s) at dismissal time. I understand that the school is not liable or responsible for any student who remains on campus after hours who is not in an adult supervised activity.

\_\_\_\_\_ 8. The school sets high Biblical standards for conduct. I understand that my student(s) could be dismissed from the school for activities not consistent with sound Biblical principles such as but not limited to: sexual immorality; use or possession of drugs, alcohol, tobacco, pornography; willful destruction of school property; profanity or obscenity in word or action; weapons on campus; fighting; dishonor to the Holy Trinity and the Word of God; and disrespect to school personnel.

\_\_\_\_\_ 9. I understand that the Administrator of the school and the teachers serving under him / her shall have full discretion in the administration of appropriate discipline for my student(s). My student(s) and I will comply fully with the rules and regulations then in force as stated or amended in the current PSA Parent / Student Handbook. I authorize Parkerson STEM Academy to employ such discipline, including time out, suspension, counseling as it seems wise and expedient for my student(s).

\_\_\_\_\_ 10. I understand that Internet use on school property will only be authorized in the appropriate classroom for the appropriate curriculum; any unauthorized or personal use by my student(s) will be grounds for suspension of use, paper based assignment or suspension from school.

\_\_\_\_\_ 11. The school believes that a positive and constructive working relationship between the school, student, and the student's parents/guardians is essential to the accomplishment of the school's educational mission. I understand that the school reserves the right to terminate or not renew my student's enrollment contract if the school reasonably concludes that the action of my student and/or his/her parents or guardians, makes a positive or constructive relationship impossible or otherwise interferes with the school's accomplishment of its educational purposes. This takes precedence over any other policy in the Parent / Student Handbook.

\_\_\_\_\_ 12. I give permission for my student(s) to attend any school-sponsored trip (fees may apply), to participate in academic, athletic, and other activities of the school. Any subsequent revocation of this permission must be in writing delivered to the Administrator. Parkerson STEM Academy and its representatives intend to take all reasonable precautions with respect to all activities; however, I understand that the participation of my student(s) in school-sponsored field trips involves a certain element of risk. I hereby assume that risk, and I agree to hold Parkerson STEM Academy and its employees, instructors, and representatives blameless from any liability unless the occurrence happens because of their gross negligence or willful and wanton behavior. I assume full responsibility for any personal injury that might occur to my student(s) while taking part in a school sponsored trip, and I will absolve Parkerson STEM Academy and its employees, instructors, and representatives from all liability concerning any injury.

\_\_\_\_\_ 13. I give permission for my student's photograph (or video), quotes (including media interviews), stories and/or artwork to be used in ways to enhance the profile of Parkerson STEM Academy such as for the school website, newsletter, brochures, billboards or other advertising media unless I notify the Administrator in writing of any restrictions I wish to place on such use.

\_\_\_\_\_ 14. I have received and read a copy of the current Parkerson STEM Academy Parent Student Handbook. I support the Philosophy, Doctrinal Statement, and the Student Conduct Code contained therein. I accept and will abide by the terms, provisions, obligations, and requirements thereof.

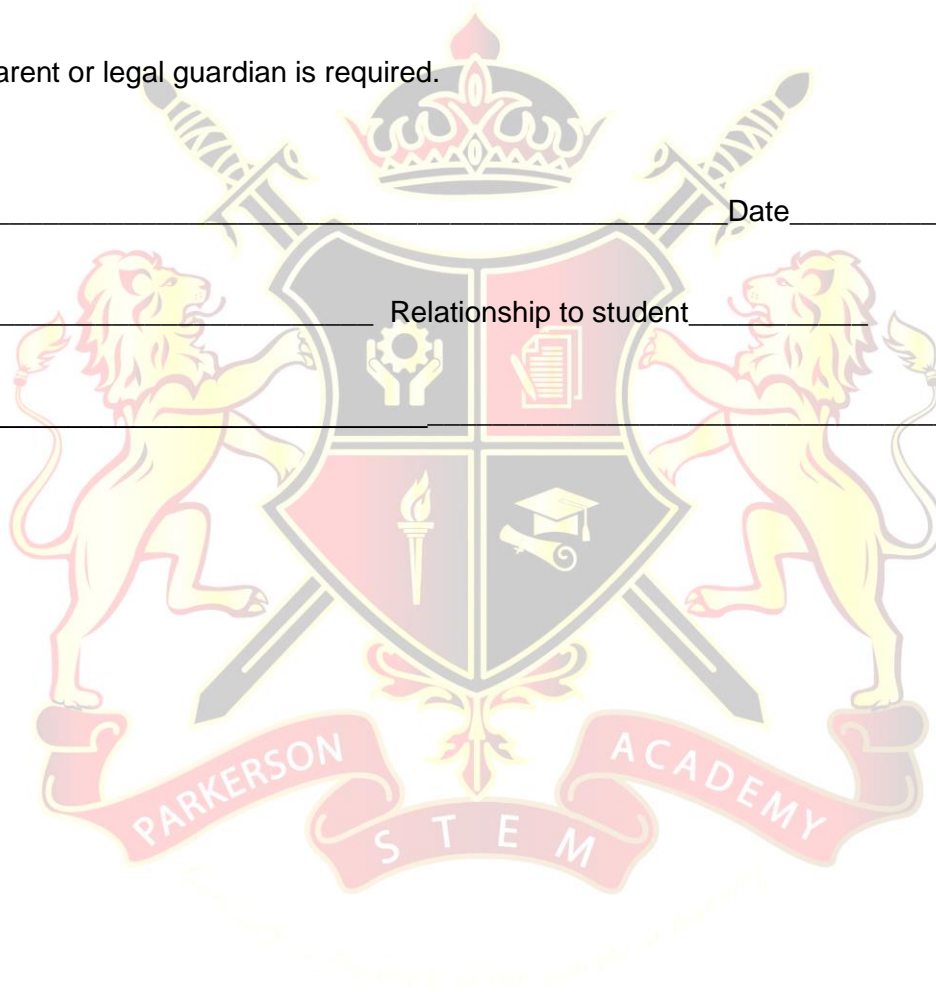

\_\_\_\_\_ 15. The parties to this agreement believe that the Bible commands them to make every effort to live at peace and to resolve disputes with each other in private or within the Christian church (see Matthew 18:15-20; 1 Corinthians 6:1-8). Therefore, the parties agree that any claim or dispute arising from or related to this agreement shall be settled by biblically-based mediation and, if necessary, legally binding arbitration.

Signature of one parent or legal guardian is required.

## FINANCIAL POLICY

We believe tuition payments are an investment in your child's education and religious formation. It is the responsibility of the PSA Board of Directors to form policies concerning the amount of tuition and method of payment, and to insure that adequate financial resources are available for the operation of the school. PSA has financial and contractual agreements with faculty, staff, and vendors, which are made in the spring or summer before the beginning of the school year. These obligations necessitate that families make firm financial commitments to the school.

## TUITION AND FEES

The current Tuition and Fee Schedule determines tuition, fees, and payment terms under PSA's financial agreement. Tuition can be paid one of three ways:

- 1) One annual payment in full at enrollment with a \$100 discount on or by August 15
- 2) Monthly payments through the Square Account (with no discount). By choosing the monthly option, payments are manually deducted on each month from the parent's credit/debit card. A \$35.00 NSF fee will be charged for any payment that does not clear.

- **Discounts**

Sibling discount – The oldest student pays full tuition. The 2<sup>nd</sup> sibling \$75 off, each additional sibling \$50 off

### (Tuition) PayGo Plan

Option 1 – Pay Go Upfront Plan – Save 10%!

The pay upfront program offers a 10% discount off the standard cost of our program for those individuals who are willing to pay upfront for their education.

Option 2 – Military Discount – Save 10%

As a Military Friendly School, a 10% discount is available to active military personnel and their spouses.

\*The Pay Go Upfront Plan and the Military Discount cannot be combined and is limited to only one discount

Option 3 – Monthly Payment Plan (Late fees accrued)

The monthly payment plan includes a one-time initial application registration fee of \$195/295 (non-refundable/non-transferrable) due at time of re-enrollment/enrollment. You will be placed on monthly payments for the semester (all fees must be paid on time not to accrue a late payment fee, semester = 6 payments). If you are a graduating senior all fees, tuition and course work must be completed before graduation.

There is finance charge applied to this option.

All fees must be paid in full upon completion of the coursework to receive grades, withdrawal request, transcript, credit and or a high school diploma.

## **OTHER FEES**

Checks returned to the school for insufficient funds, closed account, etc. will result in a \$35.00 returned check fee. The Business Office upon notification of the returned check will contact the family. Returned checks must be replaced with cash, credit/debit card or a cashier's check within a five (5) day period of the return notice. If two (2) checks are returned to the school for any reason during the school year, all future payments must be made by cash, credit/debit card or cashier's check.

Transactions fees will be assessed for using the square.

## **DELINQUENT ACCOUNTS**

The Administrator and Board of Directors will work to assist any family that experiences a financial emergency and is temporarily unable to pay; however, it is the parent's responsibility to communicate with the school. Parents who find themselves in financial difficulty are urged to contact the Business Office for alternative payment arrangements before the account becomes delinquent. Delinquent accounts will be handled in the following manner:

- If an account becomes 30 days past due, the parents will be notified that they have five (5) working days to contact the Business Office and make alternative arrangements to bring their account current. Their student(s) may be excluded from classes until the balance owed is paid, or other arrangements have been made.
- If the account becomes 60 days past due, and the parents have NOT made other payment arrangements with the Business Office, their student(s) will be WITHDRAWN from school and will not be allowed to re-enroll until all financial obligations are fulfilled with the school. In the event of such withdrawal, the parents will have to petition the Chancellor to have their student(s) reinstated.

Official school records, report cards, transcripts, diplomas, etc. will not be released to parents or institutions, and access to all digital portals will be blocked until outstanding items are cleared, and all tuition, fees, and fines are paid.

## **DELINQUENT TUITION FROM PREVIOUS YEARS**

Unpaid tuition from any previous year is unacceptable. If any fees or tuition remains unpaid from previous years, parents will not be allowed to register their student(s) for the upcoming school year or receive the early registration discount.

Official school records, report cards, transcripts, diplomas, etc. will not be released to parents or institutions, and access to all digital portals will be blocked until outstanding items are cleared, and all tuition, fees, and fines are paid.

## WITHDRAWALS

Parents must contact the Registrar to initiate a student's withdrawal. All books, materials, and equipment supplied by the school (including sports uniforms and equipment) must be turned into the school office before a student's records are clear and withdrawal is complete. Any damaged or lost books or equipment must be paid for. PSA will withhold school records for failure to pay outstanding tuition and fees and failure to return books and equipment that are the property of the school.

## FINANCIAL OBLIGATION UPON WITHDRAWAL

In the event of a student's withdrawal (written or otherwise), full semester tuition is due and will not be refunded or transferred. NO FEES OF ANY KIND will be refunded (registration, book, lab, sports, testing, etc.). Families withdrawing students prior to the first day of school will be refunded any paid tuition but not registration fees.

Official school records, report cards, transcripts, diplomas, etc. will not be released to parents or institutions, and access to all digital portals will be blocked until outstanding items are cleared, and all tuition, fees, and fines are paid in full.

## NON-CUSTODIAL PARENTS

Divorced and separated families are realities of contemporary life that affect PSA's responsibilities to its students. The following guidelines have been adopted to assist the school in situations where a non-custodial parent wishes to become involved in the school-related activities of a child or wishes to have contact with or take custody of the child while that child is at school:

- Ordinarily, the school will not resist or interfere with a non-custodial parent's involvement in school-related affairs or access to the parent's child or the child's records unless the school is presented with a court order or comparable legal document restricting such involvement or access. The school will not otherwise choose sides between parents.
- A non-custodial parent may not take custody of a child or remove the child from school premises unless the parent presents either a written court order or a written authorization signed by the custodial parent permitting such custody.
- If the actions of parents, custodial or non-custodial, become disruptive to the operations of the school, the school has the right to restrict access by such parents and to take other necessary action.

- Concerning student activities that require parental consent, the school will accept consent only from the custodial parent unless authority to grant consent is given to the non-custodial parent by a court order or comparable legal document.

## **ADDRESS/PHONE CHANGES**

Parents must report changes to the school secretary if a student changes their residence, mailing address, or telephone number after enrollment. This is to ensure that records are correct and to notify parents in case of an emergency.

## **MEDICAL REQUIREMENTS**

A tuberculosis-screening test is required if the student has traveled in the past year to Mexico or any other country in Latin America, the Caribbean, Africa, Eastern Europe or Asia for longer than three weeks. The local Health Department may require additional screening in the event of a TB outbreak.

## **IMMUNIZATION REQUIREMENTS**

Please see the link provided for current immunization requirements:

<https://www.cdc.gov/vaccines/schedules/hcp/imz/child-adolescent.htm>

## **Exemptions**

The law allows physicians to write a statement stating that the vaccine(s) required would be medically harmful or injurious to the health and well being of the child; and parents/guardians can choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem).

For children needing medical exemptions, a written statement by the physician should be submitted to the school.

Instructions for the affidavit to be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief can be found at [www.ImmunizeTexas.com](http://www.ImmunizeTexas.com).

Schools should maintain an up-to-date list of students with exemptions, so they can be excluded from attending school if an outbreak occurs.

## Provisional Enrollment

All immunizations should be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly, as is medically feasible and provide acceptable evidence of vaccination to the school. A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccine. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance. The school shall exclude the student from school attendance (access to the campus) until the required dose is administered.

A student can be enrolled provisionally for no more than 30 days if he/she transfers from one Texas school to another and is awaiting the transfer of the immunization records.

## Documentation

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. The month, day, and year that the vaccination was received must be recorded on all school immunization records created or updated after September 1, 1991.

## ADMINISTERING MEDICATION

A physician's written order will be required for any prescription medication to be taken for longer than 10 days or any non-prescription medication given for more than 4 times a month. Medication Administration Form is available on our website or in the office. Medication will be administered to students by qualified staff during school hours upon the written request of a parent/guardian.

All medication administered must be kept in the Nurse or Administrator's office. Students will be required to sign each day when they receive their medication to ensure an accurate account. Students should not be in possession of any medication (prescription or non-prescription) at any time. Failure to follow school guidelines will result in immediate discipline.

## Original Container

A properly labeled original prescription container shall be dispensed from a pharmacist and shall contain a clear and legible label with the following information:

- Name and address of the pharmacy
- Name of the patient (student)
- Name of the prescribing practitioner
- Generic or brand name of the drug
- Strength of the drug
- Date the prescription is dispensed
- Instructions for use
- Expiration date of the medication

Note: Please request an extra-labeled bottle from the pharmacist so there is no need for transporting medication from school to home.

### **Inhalers**

Students in grades K-5 will keep their inhalers in the school nurse's office in order to monitor frequency of use. Students in grades 6 – 12 may carry their inhalers to school or school-related events IF there is written permission from the parent on file in the nurse or administrator's office. It is recommended that an inhaler with spacer be kept at school at all times.

### **EpiPens**

It shall be the responsibility of the student's parent or legal guardian to supply PSA with an EpiPen for anaphylactic reactions. The EpiPen will be stored in the nurse or administrator's office and administered according to the following provision: The parent/ legal guardian gives written permission for its use, releasing PSA from all responsibility involved in its use.

### **Medical Equipment**

Any medical equipment that is needed by a student (i.e. glucose testing, nebulizer tubing etc.) must be provided by the parent or legal guardian and will be kept in the nurse or administrator's office. Written instructions for the equipment's use and parental permission are required; both will be kept on file in the nurse or administrator's office.

### **Disposition of Medication at the End of the School Year**

All medication and medical equipment is kept in the nurse's office and must be picked up by a parent/legal guardian before the last day of the school year. ALL prescription medication will be destroyed after this date.

PSA, its Board of Directors, and its employees claim immunity from civil liability from damages or injuries resulting from administering medication to a student.

## **ILLNESSES**

Students are expected to be kept at home if they are ill. Parkerson STEM Academy reserves the right to refuse admittance to a student who is ill or running a fever. All medication (whether prescription or non-prescription) must be in the original container, labeled with the student's name, the name of the medication, and directions for time and dosage. The parent or legal guardian must give medication to school employees. Please keep your child home if he has any of the following symptoms:

- Sore throat
- Runny nose with a discolored discharge
- Coughing spells
- Vomiting
- Frequent or loose bowel movements
- Conjunctivitis (pink eye)
- Fever with a temperature of 100 degrees or more

- Rash
- Symptoms of a contagious illness
- Head lice infestation

Your student must be fever free for at least 24 hours without the use of medication before returning to school.

## **Ringworms**

If ringworms are located in the scalp, a doctor's approval will be needed before the student may return to school. All ringworms located on the body will need to be covered at all times while the student is at school.

## **ILLNESS AT SCHOOL**

If a student becomes ill or injured at school, the following guidelines must be followed:

- In a case of critical illness or injury, and a parent cannot be reached, a physician named by the parent will be called and the student taken to the nearest emergency room or to the physician's office.
- Students are to be isolated if they develop symptoms of illness at school. Students suffering injury will be administered first aid if needed.
- The student will be supervised until leaving school. Students who are obviously ill will not be allowed to remain at school.

## **COMMUNICABLE DISEASE**

PSA desires to maintain a healthful school environment by instituting controls designed to prevent the spread of communicable diseases. The term "communicable disease" shall mean an illness that arises as a result of a specific infectious agent that may be transmitted whether directly or indirectly by a susceptible host, infected person, or animal to other persons.

In an effort to protect the health of all children, students and employees who are suffering from a communicable disease will be excluded from school. Readmission to school will be allowed only after the Administrator has been given a written certificate from a physician or a permit issued by the local health authority.

Parents will be expected to notify the school office immediately if their student has a contagious condition so that other parents may be informed.

If the nature of the disease and circumstances warrant, PSA may require an independent physician's examination of the student or employee to verify the diagnosis of a communicable disease. PSA reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary action to control the spread of communicable diseases within the school.

## INCLEMENT WEATHER PROCEDURE

If the school is closed, the administrator will notify the parents. In addition, PSA will text the contact number on file to leave “inclement weather closure notice”. Information can also be obtained from the school website <https://parkersonstemacademy.com>

School make-up days will be communicated to families by the school office.

In the event of flooding, storms, or other emergency conditions that occur during the school day, parents may sign their children out earlier than the regular dismissal times. The administration will decide if the absence is excused or unexcused.

## OFFICE HOURS

The school offices will open from 8:00 a.m. to 4:00 p.m. Monday through Thursday,  
9:00 a.m. to 2:00 p.m. Friday.

All Jr. High and High School students must be off campus by 3:30 p.m. Parents, please pick up students promptly, unless the student is involved in athletics, tutoring or some after school activity. Students are restricted to certain areas designated by the school.

## PHYSICAL EDUCATION POLICY

Students at PSA may earn physical education credits in the following ways:

- Be enrolled in P.E. class.
- Athletes in grades 9-12 participating in the PSA sports program earn .5 credits per semester for physical education. Coaches are in attendance and grades are issued by the head coach.

If ineligible, athletes must come to daily practices and games to earn P.E. credits. Students will be allowed to attend tutoring if offered but must bring a signed note from the teacher to the coach so that credit may be earned.

Any outside equivalent must be preapproved by Administration and be at least 90 hours per semester. Verification of participation must be sign by instructor.

Students may earn a maximum of 1.0 units of physical education credit towards graduation.

## **STUDENT DRESS CODE**

### **SET APART AND CHOSEN**

#### **GENERAL APPEARANCE**

The heart of the PSA dress code is:

1. Modesty
2. Decent coverage
3. Honors God
4. Not seeking attention for self

PSA students are required to dress in accordance with the Parkerson STEM Academy Dress Code. The uniform dress code is intended to serve as a tool to create an atmosphere free from distraction. It serves to dispense with competition due to outward appearance and affluence; it de-emphasizes outward appearance in favor of inner beauty and character; it serves as an economic measure for parents; it enhances school spirit; and it allows students to demonstrate a submission to authority.

PSA considers it the parents' responsibility to assure that the student comes to school dressed in accordance with the PSA Dress Code. Violations of the Dress Code will be subject to progressive disciplinary action. Minor infractions and first-time violations result in a written note or verbal request to the parents(s) asking for cooperation. Repeated violations may result in the following disciplinary action: (1-3) clean up duty, (4-8) school detention, (9-12) Saturday class, and (13+) parent conference and suspension. In all disciplinary situations, PSA's goal will be to gain parental cooperation in achieving compliance with the Dress Code.

Students need to be fully dressed in proper school clothing when they arrive at school. For example, ties should be on, belts on, shirts tucked upon arrival.

FrenchToast.com or a local department store is a great place to purchase uniforms for Parkerson STEM Academy. Dickies or other like brands are allowed for High School students.

Over the years, we have had experience with many trends that have led to dress code rules being established and revised. They are too numerous to list, but the following are general examples:

1. Hair is not neatly groomed or is in some way calling attention to the student.
2. Hair is a color that is not a natural color.
3. Hair is too long for a boy.

If, in the opinion of the Head of School, the code is violated, the student will be warned to correct the problem. A Discipline Report will be issued and sent home to the parent(s) to be signed and returned the next day. The student will be given three (3) days, excluding Sunday, to comply with the hair code. If after three (3) days the student has failed to comply with the hair code, the student will not be allowed back in class and will receive unexcused absences until the violation is corrected.

## **STUDENT LIFE**

### **SCHOOL HOURS**

8:00 a.m. to 4:00 p.m. Grades 6-12

### **TARDIES TO SCHOOL**

Any student who is not in class at the start time is considered tardy. All students reporting late to school should go directly to the front office, sign in and receive a pass.

Classes begin promptly at above times. Habitual tardiness are unacceptable! Three (3) unexcused tardies equal one unexcused absence. Students are allowed three (3) free tardies each semester. Four to ten (4-10) tardies will result in before school detention. Additional tardiness will result in additional disciplinary action.

### **ATTENDANCE PHILOSOPHY**

School attendance is one other factor most closely related to successful academic accomplishment in school. Students who are absent miss valuable instruction. Parents should strive to have their children in school every day. Perfect attendance should be the norm for PSA students rather than the exception.

### **ATTENDANCE REQUIREMENTS**

In compliance with the Texas Compulsory School Attendance Law, Parkerson STEM Academy requires students in Pre-K through 12<sup>th</sup> grade to be in attendance for 90 percent of the entire period of program of instruction in order to be promoted to the next grade and/or to receive credit for academic course work. Time spent during chapel, class parties, field trips or other types of special events is counted towards school attendance. Students should remain in attendance until school is dismissed for the day. \*\*Parents must select if students will be on campus or off campus learners; and adhere to their selection.\*\*\*\*

There are three kinds of absences relating to the school.

#### **1. Excused absences**

Absences will be excused in the following instances:

- A death with-in immediate family
- Medical or dental appointments
- Personal illness
- Illness in the family
- Quarantine
- Weather and/or road conditions making travel unsafe or dangerous

Other unusual circumstances that may be considered by the school.

The reason for the absence must be stated in writing and signed by the parent or guardian. A doctor's note is required if the child has been absent for more than 3 consecutive days due to illness. All secondary students must obtain an admittance slip from the receptionist. Make-up work with credit will be given. For each day of excused absence, one day of make-up time is given.

## 2. Unexcused absences

Result from circumstances other than those defined as excused absences, even if student has permission from parent to be absent from school.

- If a student has more than three (3) days of unexcused absences for the semester, he is in jeopardy of being retained or withdrawn. Make-up work will be required, and zeroes will be recorded, but no credit will be given for the work missed during an unexcused absence. The administration reserves the right to determine whether absences are excused or unexcused. Suspensions are classified as unexcused absences.
- Checking students out of class or school early for convenience is not accepted as an excused absence and will count against perfect attendance.
- Any student absent three (3) or more consecutive days will be required to bring medical documentation stating the date and time of appointment and/ or the nature of the illness.
- Secondary students who arrive 25 minutes or later into a classroom, will be considered absent. If student arrives before 25 minutes, it will be considered tardy.
- For elementary students who arrive at school after 11:00 a.m. or leave school before noon, the attendance will be marked HD (Half Day). Please note that HD will not be considered a perfect attendance.

## 3. Planned absences

- (1) There are several steps involved in successful planned absences. The parent must send a form requesting approval of the absence to the Head of School one week prior to the planned absence. These forms are available in the front office.
- (2) All missed work should be turned in before the absence unless agreed upon by individual teachers.
- (3) If teachers allow the work to be made up after the absence, all work is due the day the student returns to school.
- (4) It is the responsibility of the parent and student to initiate this process.
- (5) Any out-of-town planned absence may be arranged following the procedure above.
- (6) Even though absences are planned, students will lose the privilege for exemption from final examinations when the total number of absences exceeds three.
- (7) Multiple planned absences will be monitored by the Administrator and should not extend past compulsory attendance requirements.

## REPORTING PROCEDURES FOR ABSENCES

- Parents are asked to call or email the school office before 9:00 a.m. to inform the office of their student's absence.
- All students are required to bring a note dated and signed by the parent stating the reason for the absence or parent may email the office. For secondary students, the note is to be taken to

the school office on the first day back to school for an admission slip to class. The administration reserves the right to decide if absence is excused.

- If a student fails to bring a signed and dated note from the parent on the first day returning to school, he/she will be allowed one more day to bring the note. If the student fails to do so, the absence will be counted as unexcused and zeros will be recorded for work missed.
- A doctor's note is required after more than three consecutive days of absence.

## **RETURNING TO SCHOOL FOLLOWING ILLNESS**

- The student must be fever-free for 24 hours without medication.
- A doctor's note stating the illness is not contagious is required if absent more than 3 days.
  - The student must have no severe coughing.
  - Chickenpox – The student may return seven (7) days from the onset of rash, if the sores are dry and child has been fever-free for 24 hours.
  - Lice – If a student has been found to have head lice, he/she can return after the hair has been treated and is nit free. The student must be checked at the Nurse's office before returning to the classroom.

## **STUDENT EXTRACURRICULAR ACTIVITIES**

Students in grades 7-12 may participate in interscholastic competitions. The interest and sufficient number of students will determine extracurricular activities. Sixth grade will only be used if there are not enough middle school students to complete the team.

A student must be in full-day attendance on the day of the activity in which he desires to participate. Scheduled appointments are recognized as excused absences and would not prohibit a student from participating. Extenuating circumstances other than sickness resulting in an excused absence on the day of the extracurricular activity must have administrative permission for participation.

## **SPIRITUAL LEADERSHIP RETREAT (Future Projection)**

All students in grades 9-12 are required to attend this school function. The design is to enhance friendship and fellowship between students and provide them with the opportunity to worship and praise the Lord together as a student body. Since the retreat lasts for three school days, students who fail to attend will receive "unexcused absences". If medical conditions exist, the Administrator will review the circumstances to determine if the absence will be excused.

## **PERMITS TO LEAVE SCHOOL**

Permits to leave school must be obtained through the Secretary or the Head of School. If a student leaves school without permission, it will be counted as an absence and will normally result in disciplinary measures for student.

## **STUDENT DISMISSAL POLICY FOR PARKERSON STEM ACADEMY PROM**

The following is the dismissal policy for Parkerson STEM Academy prom. Students who fail to follow these guidelines will be suspended. No exceptions. Freshmen and sophomores that have been invited to the prom will be required to attend regular classes for the whole day. Juniors will be allowed to leave at their lunchtime, and seniors will not attend school on the day of the prom or pre prom activities. Disciplinary records will be checked: no suspension, grades: passing all classes

## GUESTS

Visitors are allowed only by permission of the Head of School. Advance notice is desired by the school. The Secretary must give a visitor's pass to all guests. Visitors are not permitted to stay on campus after approved time. \*Guest during class time is a distraction to the learning environment, therefore, it is discouraged.

## LATE HOMEWORK/ASSIGNMENTS

The following consequences are in place for all students who do not turn in their homework/assignments on time. The homework/assignment must be completed to keep the student current with the class work. This privilege will be revoked at the discretion of a teacher for those students who habitually use it (2 times). A student who is absent the period that homework is due and returns to school that same day, will be required to turn in the work for the period absent immediately upon returning to school. Tests or other work assigned prior to an absence will be due the day the student returns to school.

Late one day; 10 points from the grade plus a class infraction.

Late two or more days; 20 points on the assignment.

Late more than five days 0 on the assignment.

**Note:** Major long-term projects are to be turned in on the due date even when the student will be absent. This is not treated the same as daily homework assignments.

## TEXTBOOKS

Students receive a classroom textbook on loan unless the teacher specifically indicates otherwise. These books are to be kept in good condition. The student or parent(s) will pay for damaged or lost textbooks. Marking or highlighting will not be allowed. Textbooks are to be stored in the classroom unless teacher states otherwise.

At the beginning of the school year, students will be assigned textbooks, and the students will be held accountable for the condition and location of their textbooks. The condition of the books will be recorded when first issued and re-evaluated by the teacher when the textbooks are returned to determine if charges should be made.

Students will be charged for lost or damaged books. Some online classes may require student to purchase their own books.

A student can remain eligible if he/she has one grade below 75 but still passing the class with at least a 70. If a student has two grades below 75 or fails any class (below 70), he/she will be ineligible for two weeks. Students will be required to register their vehicles with the Registrar's office by signing, along with their parents, the PSA Student Driver Agreement. Proof of insurance will be required.

Students must observe the campus speed limit and must park only in the designated student parking areas. Students whose driving is observed to be hazardous and/or irresponsible may, at the discretion of the school administration, lose the privilege of driving on campus temporarily or permanently.

NOTE: Parents, please do not call or text message your child on his/her cell phone during school hours. Please call the school secretary for any messages that need to be relayed to your child.

## **CYBER-BULLYING**

Cyber bullying involves the use of information and communication technologies to support deliberate and hostile behavior by an individual or group that is intended to harm others. This includes, but is not limited to, the use of internet, social networking sites (such as Facebook and Twitter), and cellular telephone to intimidate, harm or ridicule another student. The board, administration and faculty at PSA considers cyber-bullying, regardless of when the act occurs(either during of after normal school hours), to be a direct violation of our Student Code of Conduct. Consequently, any student who supports or participates in any form of cyber-bullying of another student will be subject to disciplinary actions at school, up to and including expulsion from PSA.

## STUDENT BEHAVIOR

### STUDENT CONDUCT

A high standard of conduct is required of each student at PSA for the purpose of maintaining order and building Christ-like character.

Students are expected to:

- Exhibit an attitude of respect toward all individuals and property.
- Speak in such a way as to lift others up (Ephesians 4:29).
- Be honest and trustworthy.
- Be obedient to all rules.
- Be dressed properly.
- Attend all classes daily and be on time.
- Be prepared for each class with the appropriate materials and assignments.
- Turn in assignments on time.
- Bring only teacher-required materials, supplies, and approved personal items to school. When an offense is committed, reconciliation will be sought in a Biblical manner (Matthew 18).

### CONDUCT EXPECTATIONS

Students are expected to obey. Obedience demonstrates proper submission to God and God ordained parental authority extended by agreement to the school administration and staff. Students are taught to accept responsibility for their behavior by being held accountable by their teachers and Head of School. All students are expected to conduct themselves according to the following guidelines:

- In the classroom, the student shall speak by permission of the teacher. To obtain permission to speak, the student will raise his hand. Students are to listen to the teacher as a sign of respect for authority and listen to other students as a display of courtesy.
- Students may move about the room only by permission of the teacher.
- Students shall refrain from any act of disrespect such as:
  - Mimicking others
  - Laughing at the mistakes of others
  - Back-talking or arguing with any teacher
  - Making facial or non-verbal expressions of disrespect/contempt
  - Whispering and/or passing notes in class
  - Failing to pay attention in class or sleeping
- Students are expected to answer all adults with a respectful “Yes Sir”, “Yes Ma’am”, etc. “Yeah” and “Huh?” are unacceptable responses.
- Profane, vulgar, and/or abusive language (such as name-calling) is prohibited.
- The student is not to engage in horseplay to avoid accidental injury, misunderstood intentions, or conflicts. Pushing, shoving, punching, and cutting in line are not allowed.
- Eating and drinking are permitted only in designated areas.
- Fighting will result in disciplinary action. (Exception: self defense)

- The student is to treat the property of the school and others with care. Vandalism and writing on desks, chairs, or walls is not permitted. Property that requires replacement results in higher costs to parents. The offender will reimburse the school.
- Use or possession of drugs, including alcohol and tobacco, is prohibited.
- Although the male/female attraction is understandable, kissing, hugging, holding hands, holding one another and other public displays of affection are not permitted at school. During school functions, the student is to exercise self-control and demonstrate Biblical love for others by acts of selflessness.
- The following items are prohibited on campus or at any PSA function including field or class trips, sporting events, fund raisers, etc: chemical substances, firearms, knives, any weapons, skateboards or any other items deemed inappropriate by the administration.

## PHILOSOPHY AND GUIDING PRINCIPLES FOR DISCIPLINE

The goal of all instruction at PSA is love. We seek to teach students to love God and obey Him out of that love. It is our aim to see PSA students learn to love others with the selflessness of Christ.

### PHILOSOPHY

Discipline is inseparably linked with the process of discipleship. The goal of PSA disciplinary procedures is to teach personal responsibility for one's actions, obedience to authority, and dependence on God and His Word. The approach to this goal will be based upon Scriptural principles and will involve a three-step model:

1. Instruction of God's commands and right ways of thinking and behaving
2. Warning concerning natural and parent/teacher imposed consequences
3. Correction of misbehavior

PSA will endeavor to teach what is right and pleasing while keeping correction appropriate and minimal. We will act out of love that seeks the best for the student rather than anger, which seeks only retribution. Teaching students to conduct themselves in a loving and responsible manner is a lasting value and will be considered the highest priority at PSA. (Galatians 6:1-2)

## BIBLICAL GUIDELINES FOR STUDENT CONDUCT

### Respect Authority

"Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God. Consequently, he who rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves. For rules hold no terror to those who do right, but for those who do wrong. Do you want to be free from fear of the one in authority? Then do what is right, and he will commend you. For he is God's servant to do you good." (Romans 13:14)

### Respect and Esteem

“Consider one another as better than ourselves.” (Philippians 2:3)

Protecting the dignity of all students is our aim. Malicious talk can do more harm than physical wounds.

Be an Example:

“Don’t let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith, and in purity.” (I Timothy 4:12)

Seek Excellence:

“I can do everything through Christ who gives me strength.” (Philippians 4:13)

Be Honest

“Providing for honest things not only in the sight of the Lord, but also in the sight of man.” (II Corinthians 8:21)

Be Truthful

“Therefore each of you must put off falsehood and speak truthfully to his neighbor, for we are all members of one body.” (Ephesians 4:25)

Practice Clean Speech

“Do not let any unwholesome talk come out of your mouth, but only what is helpful for building others up according to their needs, that it may benefit those who listen.” (Ephesians 4:32)

Reflect Jesus:

“Finally, brethren, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is admirable – if anything is excellent or praiseworthy – think about such things.” (Philippians 4:8)

## **STUDENT BEHAVIOR**

Discipline is an absolute necessity for any successful organized group. At PSA, the emphasis is on the development of self-discipline and self-direction toward socially desirable ends. External measures will be used only when there is evidence that a student’s internal controls fail and his actions fail to comply with school policies and regulations.

**STUDENT WILL BE SENT HOME FOR 2-3 DAYS**

## **HUMAN DIGNITY/HARASSMENT**

PSA intends to provide its students an environment that is free of offensive kinds of behavior. Conduct, whether intentional or not, that subjects another person to unwanted attention, comments, or actions because of race, national origin, age, gender, physical characteristics, or disability is not permitted. Instead, we expect all persons to treat each other with respect because they are made to reflect God Himself.

- All students are expected to conduct themselves with respect for the dignity of all others.

- We do not condone or allow harassment of others by teachers, administration, support staff, students, or other persons present in our facilities.
- Sexual harassment includes making unwelcome sexual advances, engaging in improper physical contact, making improper sexual comments, or otherwise creating an intimidating, hostile, or offensive learning or work environment. These actions will not be tolerated!
- Any form of ridicule of others based on but not limited to race, gender, physical characteristics, ability, family background, or similar feature is harassment; persons engaging in this misbehavior will be disciplined.
- Any person who believes he or she has been the subject of harassment should report it immediately to an appropriate superior. Students may report to a teacher or Head of School.
- Reports of harassment and subsequent investigations will be handled discreetly to avoid embarrassment of the person making the report or of a person who may be unjustly accused.
- Any person who is determined to have violated this policy will be subject to corrective action and discipline, including the possibility of expulsion.

Steps for handling charges of sexual harassment:

The harassment will be reported to the proper authorities and brought before the Dean of Education and or Board of Directors. Subsequent action by the Dean of Education and or Board of Directors will be determined by the outcome of the evidence obtained. If a student is found guilty of sexual harassment, they will be expelled from PSA and will not be allowed to return.

## **JURISDICTION**

PSA has jurisdiction for discipline purposes over its students from the time of arrival from home until departure at the close of the school day. Misconduct during this time becomes a matter of school discipline. Policies and regulations of this school governing the discipline of students apply to all school sponsored activities on and off the school campus.

## **STEPS IN DISCIPLINE**

Listed below are various offenses, grouped by seriousness as well as penalty, including length of detention. If a student is to serve a detention at least one day's prior notice will be given to the student, and the parents will be notified. An excessive number of detentions (5) will result in Saturday class.

The following steps are in general order of seriousness and are typically followed in this order, depending on the offense:

- Counseling, praying with, and warning students regarding their actions and attitudes
- Means of correction shall be in keeping with the offense. Detention after school is permitted, but parents shall be given a day's notice.

- Communication with parents by telephone or in writing after first offense
- Student referred to the Head of School for corrective action and parent conference
- Saturday class
- Suspension
- Expulsion
- Probation – student may be put on probation after being referred to office 3 times.

## **ELEMENTARY SCHOOL BEHAVIOR MANAGEMENT PROGRAM (FUTRUE PROJECTION)**

Behavior Management Program is to clearly define to students and parents how student behavior will be handled in the elementary classrooms. The program has built-in rewards and consequences. This is an objective and consistent program that has slight variations at different grade levels allowing for what is appropriate for that age group.

### **CONSEQUENCES**

For each infraction pulled that day, the student will have a “time-out”, missing time from recess or socializing time at lunch. Teachers will counsel the students concerning what they need to improve. The teacher will contact the parent verbally, by telephone, by a note, or by a PTC slip in the older elementary grades.

### **STEPS OF DISCIPLINE FOR GRADES 1 THRU 5**

Steps will be taken so that there is consistency between classroom and administrative discipline. Administration will step in after the teacher has implemented their classroom discipline. When a discipline form is sent home, the student is required to have the parent sign and return the form the following day.

At any time the offense is serious enough standard steps may be altered. At the Administrator’s discretion, conduct probation may be established at any time. If unacceptable conduct is persistent or serious enough, suspension or expulsion can occur. See excessive/persistent behavior-conduct section.

### **LEVEL I OFFENSES FOR GRADES 6-12**

The following steps are to be implemented so that there is consistency between classroom and administrative discipline. These steps are to be used after the teacher has implemented their classroom discipline. Please note that when discipline reports are sent home, the student is required to return the form the next day, signed by the parent. For these offenses, punishment may include a warning, clean-up duty, or detention for the 1<sup>st</sup> offense.

With the direction and approval of the Head of School, teachers will determine the procedures for detention, unless otherwise stated herein. Detention is not to be used for tutoring.

Morning detention may be held on Monday through Thursday beginning at 7:30 am. All detentions must be proctored by a teacher who will determine the assignment during this time. Parents must be notified before a student will be allowed to serve in detention. Detention to be a 30 minute study hall.

The following items will result in an extra detention being issued:

- Arriving late to the detention room
- Not taking the signed detention slip to the detention teacher the day after it is issued
- Talking while in detention
- Sleeping while in detention
- Arriving without writing supplies and/or materials to work on during detention
- Failing to attend a detention, unless excused by Head of School, will result in a Saturday class. See Level II – Unauthorized absence.

## PROBATION

A student who is not performing according to the guidelines set forth in the Conduct Expectations portion of this handbook may be placed on conduct probation as a means of discipline by the Head of School. Probation indicates that a student's behavior is so improper that a majority of his teachers recommend probation. Probation is not to exceed 4 ½ weeks. At the end of the probationary period, the student's conduct will be re-evaluated.

A consistently rebellious attitude toward the faculty, school rules and procedures, or a continuously negative attitude and bad influence on other students may result in dismissal from school. A student on probation due to misconduct is ineligible to play in or practice for any extracurricular activities. If the conduct is not corrected, the student will be asked to voluntarily withdraw or be expelled.

A student who is not making sufficient progress academically due to low grades, not turning in homework on time, or obviously working below his ability will be placed on academic probation. A student will be placed on academic probation if he makes at least 2 D's or 1 F in any nine-week grading period. If the grades and work habits are not significantly improved by the end of the next grading period, the student may be asked to voluntarily withdraw or be expelled. It is hoped that probation is sufficient notice to the student and his parents that a serious problem exists requiring correction.

When all disciplinary actions taken by the teacher are ineffective, with documentation the student may be considered for probation. Probation gives the student time to improve to a satisfactory level.

1. The Head of School must complete a Probation Form.

- If the Head of School determines that probation is required, a conference will be held with the student and parent/guardian to explain what improvements in behavior are necessary and to outline the terms of the probation.
- If the notification to the parent is verbal, it should immediately be followed by written notification.
- Disciplinary probation extends through the end of the nine weeks in which it occurs but not longer than 4½ weeks.
- While on probation, a student will be excluded from school-sponsored extra-curricular activities and all positions of trust and responsibility.
- Weekly progress reports on the students in grades K-12 will be issued by the teacher. Copies of progress reports will be sent to the parents.
- At the end of the probationary period, a conference will be held. All decisions will be issued orally and in writing.
  - The decision of the Head of School with regard to probation is final.
- Any student who is on disciplinary probation for twelve weeks in one year is subject to dismissal. He/She may not be readmitted the following year, depending on the decision of the Head of School.

## **EXCESSIVE/PERSISTENT BEHAVIOR-CONDUCT**

If a student incurs excessive or persistent violations of PSA policies, he/she will not be allowed to continue their education at PSA. After a student has been sent to the office for disciplinary reasons for the 4<sup>th</sup> violation, the student and parent will be notified of the excessive/persistent behavior violations. On the 5<sup>th</sup> violation, the student will receive a 1 day suspension, plus whatever level discipline the behavior requires. The 6<sup>th</sup> violation will result in 2-day suspension, plus whatever level discipline the behavior requires. Additional violations may result in the student being expelled or asked to withdraw.

Teachers cannot teach and students cannot learn if students refuse to obey and follow classroom rules and procedures. It is our hope that students will use good judgment, self-discipline, and obedience to the policies of PSA, so that none of these actions must be taken.

## **SUSPENSION AND EXPULSION**

The suspension or expulsion of a student is a very serious matter and must be handled in a way that guarantees due process to the student.

## **RULES OF PROCEDURE**

- Student Notification
  - ♣ A student whose conduct has been such that severe disciplinary action results must be told exactly what the breach of conduct has been. If a specific rule or regulation has been disobeyed, the rule or regulation should be stated prior to suspension or expulsion. If the student denies the allegations against him, he shall be given an opportunity to explain his version of the incident before the suspension or expulsion is effective. The Head of School shall verify the facts.

- Decision to Suspend or Expel
  - ❖ The classroom teacher may recommend suspension, but only the Head of School, after determining that suspension is required, may order a student suspended for a period of time not more than 3 days.
  - ❖ The recommendation to expel a student shall be made by the Head of School. The decision to expel is the sole responsibility of the Dean of Education.
- Parent Notification
  - ❖ In the event that the Chancellor determines there is probable cause that a student should be expelled, the parents must be notified in writing of the exact nature of the offense charged. A written notice of expulsion shall further advise the parents of the opportunity for a hearing. If the parents desire a hearing, they shall so notify the Dean of Education in writing within three days of the decision to expel, and a hearing shall be held as soon as possible, but no more than five (5) days thereafter. While awaiting the hearing, the student will be suspended from school and school activities.
- Emergency Situation
  - ❖ In emergency situations when the student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process, the student may be immediately removed from school. The necessary charges should follow.
- Hearing Process
  - ❖ For Suspension: The hearing will be before the Head of School. At the hearing, or shortly thereafter, the Head of School will make a decision. If notification to the parent/guardian is verbal, it should immediately be followed by written notification. Copies of all information should be sent to the Chancellor. The decision of the Head of School is final.
  - ❖ For Expulsion: The hearing will be before the Chancellor. Their decision will be final.

### **SPECIAL INFORMATION**

Suspension shall last one-half to three days. Students on suspension will not be allowed to participate in any school-related events during suspension. Three suspensions will create grounds for expulsion or being placed on home-schooled distance learning program. It is never the desire to suspend or expel our students. Therefore we have created the home based distant learning and adult education programs to reach our students and to supply other options of success.

- Lunch: Each student will be required to supply their own lunch.

Lack of knowledge of a particular policy provided will not excuse a parent or student from the responsibilities and accountability for failure to obey them.
